Hello Orthopaedic Professionals!

It is my pleasure to invite you, your co-workers, family, and friends to NAON’s 38th Annual Congress at the foothills of the Rocky Mountains in beautiful Albuquerque, New Mexico! NAON is proud to provide exceptional networking and educational opportunities at the premier orthopaedic event of the year.

The Congress Education Committee has worked hard to provide a stimulating program for our 2018 Congress attendees. I encourage you to not only attend educational sessions, but to network with attendees, make new friends, reconnect with old ones, and be inspired to take on new challenges, both at work and with NAON.

This year’s Congress theme is *Fueling the Future of Orthopaedic Nursing.* I hope that you are able to participate and take what you learn back home to your peers. You may even find a new or different way to examine your orthopaedic nursing practice… Change is healthy and fuels our future!

As always, get excited at our Annual Congress Party, “With a Little Help from My Friends.” Be sure to pack your best Beatles t-shirt and don’t forget your dancing shoes!

*We look forward to seeing you in Albuquerque!*

Educational Summary

As a 2018 Congress attendee, you can earn total of 30.0 Continuing Nursing Education (CNE) hours. Here’s how:

In advance: View all six (6) of the 2018 Congress Extended Learning Webinars to enhance your onsite experience.

Onsite: Attend all general and concurrent breakout sessions, participate in panel discussions, and review poster presentations.

After: Review any additional posters you might have missed, complete your 2018 Congress evaluations.

Earn additional contact hours by attending a pre-Congress Review Course or hospital tour!

The purpose of NAON’s Annual Congress is to provide outstanding education and networking opportunities for orthopaedic nurse learners from around the world.

38th Annual Congress Learning Objectives

NAON’s 38th Annual Congress provides discussions on basic knowledge and skills for orthopaedic nurses. We emphasize sharing of research, best practices, and evidence-based recommendations. Content is driven by practice gaps, associated educational needs identified by past Congress attendees, and trends in current literature and practice.

The Congress Unit of the NAON Education Committee (NEC) strives to present state-of-the-art advances in orthopaedic nursing care. Learners are provided updates in healthcare trends, offered multiple opportunities to network with participants, and are given several occasions to interact with exhibitors and product vendors.

By participating in this conference, attendees will increase their confidence and ability to:

• discuss current approaches to improving patient care and outcomes
• share strategic knowledge about current issues facing orthopaedic nursing and the healthcare industry
• implement improvements to clinical practice and administrative strategies for effective quality care of patients with a variety of musculoskeletal conditions
• incorporate evidence-based practice into the care of patients and their families

The Joint Connection Lounge
Take a break from the action — sit down in the lounge and connect with other attendees.

NAON Resource Center
This is your one-stop-shop for all things Congress! Affiliate organizations (ONCB, Health eCareers, ONJ, and the NAON Foundation) and NAON committees (CAT, AIM/LSC and ACORN) have booths with representatives who would love to answer your questions. You can also find information about educational products, buy a NAON t-shirt, and see what contact hour opportunities NAON has planned for the future!

Cyber Stations
Our cyber stations give you the chance to stay updated with the action at home and in the office. You can even enter your contact hour credits while at Congress!

The Stage
The Stage is the go-to location for all special events in the Joint Connection. Come hear industry professionals present on how new technological advances have helped solve many problems healthcare workers face, or stop by for the Orthopaedic Olympics, Passport to Prizes drawing, and more!

Creativity Zone
Come by the Creativity Zone to learn how to get engaged on social media and mingle with fellow attendees while doing entertaining activities such as crafts, board games, and coloring books!

Charging Stations
Charging stations with outlets and chairs are available throughout the Joint Connection so you can sit down and charge your electronic devices.
Special Events

Joint Connection
The Joint Connection is your all-in-one place to experience the many unique features of Congress. This interactive exhibit hall will be open Saturday through Monday with many valuable resources to enhance your time. In addition to exhibitors and posters, there are areas for you to network with fellow attendees, recharge your electronics, learn from industry experts, and much more. **Foundation Event**
The NAON Foundation is hosting an evening at the Sandia Peak Tramway with a New Mexican dinner! You will travel by bus to the Sandia Peak Tramway, an aerial tramway located adjacent to Albuquerque, New Mexico. This is the longest aerial tram in the United States, ascending to the western side of the Sandia Mountains to reveal an 11,000 square mile view of the New Mexico countryside. Bring your cameras for this breathtaking view!

Afterwards, you’ll enjoy a Taste of New Mexico dinner while networking with your NAON colleagues.

There will be two departures, one at 6:30 pm and one at 7:15 pm. Each trip lasts approximately three hours.

Registration Information

Cancellation/Refund Requests
Your registration fee, less a $200 administrative fee, is refundable (after Congress) upon written notice explaining your reason for cancellation. To receive a refund, written cancellations must be received on or before March 16th, 2018 via e-mail at registration@orthonurse.org.

Early Deadline: Postmarked by March 16th, 2018
Register only one person per form. Photocopies of the form are acceptable. The early registration rate applies for all registrations online or postmarked on or before March 16th, 2018. After March 16th, 2018, the regular rate applies.

FREE Membership Offer for Nonmembers and Students!
(RNs, LPNs/LVNs and Associates)
You will receive a NAON membership by registering for the full conference as a nonmember (a $140 value). Membership will become active as of June 1, 2018, and is valid through December 31, 2018. Nursing students enrolled in an initial degree program: contact NAON National Office at 800.289.6266 (NAON) for discounted rate information.

Guests
You may purchase a Guest Registration for a fee of $100 which entitles guests to join registrants at all General Sessions, the Annual Congress Party and in the Joint Connection. Children ages 18 and under may attend Congress but parents/guardians are responsible for their children at all times. There are no contact hours available with guest registrations.

Monitors and Moderators
Monitor: Volunteers who monitor the room during a session. They sit by the door and report any issues to staff including room temperature and audio/visual assistance requests from presenters. They also help participants find seats when the sessions begin to fill up.

Moderator: Volunteers who sit on stage, or near the presenter, and assist with any requests. They introduce the presenter, remind the presenter to disclose conflicts of interest, share general announcements with the attendees, and give time warnings as necessary.

If interested in volunteering as a monitor or moderator during the 2018 NAON Congress, please select either option on your registration form, and complete your session selections in the Agenda Builder.

Payment and Confirmation
Registrations will be processed only if full payment is received at the time of registration or with the registration form. Purchase orders cannot be accepted. Confirmation notices will be e-mailed within 48 hours of payment processing. If you do not provide a working e-mail address, we will fax a confirmation to you.

Tax Information
All expenses for continuing nursing education (including registration fees, travel, meals and lodging) taken to maintain and improve professional skills may be tax deductible (Treas. Reg. 1.162-5 Coughlin vs. Commissioner, 203, F2d 307). Please consult your tax advisor.

Allergens
NAON recognizes that some participants may have severe allergies to peanuts, latex and other products. We cannot assure that no allergens are present in the hotels or conference center. Please take all necessary medical precautions to prepare for the possibility of exposure to allergens.

Helpful Planning Information
Agenda Builder
Once your registration is complete, you will be able to add sessions to your agenda builder. To build your agenda, follow these quick instructions:
1. Go to www.orthonurse.org/registration
2. Under “Already Registered,” click on “View Your Registration Details”
3. Click on the “My Agenda” tab
4. Select “Edit Agenda” and begin to add the sessions you want to attend

During each of the time slots, select the session you would like to attend. After you add all of the sessions that you want to attend, click the “Done Editing” button.

Americans with Disabilities Act
If you need any of the auxiliary aids or services identified in the Americans with Disabilities Act to attend Congress, please check the box on the registration form or call the NAON National Office at 800.289.6266 (NAON). If you need a wheelchair or electric scooter, reservations can be made through one of the companies below:
