

AAOS/NAON Nursing and Allied Health Program

2019 AAOS Annual Meeting

March 12-16, 2019

Las Vegas, Nevada

Call for 2019 AAOS/NAON Nursing and Allied Health Program Presentation Proposals

Nursing and Allied Health Program

The National Association of Orthopaedic Nurses invites you to submit a podium presentation proposal for the 2019 Nursing and Allied Health Program at the AAOS Annual Meeting in Las Vegas. The NAON AAOS Unit will review the podium proposal content during the selection process. Proposals should offer sufficient detail that the planners can determine whether the proposed session is a fit for the conference.

Program Objectives

Please consider the following 2019 AAOS/NAON Nursing and Allied Health Program objectives when developing a proposal:

- Participants are prepared to implement changes in practice based on current issues, trends, practices, and research in orthopaedics.
- Investigate how evidence-based practice and research impact orthopaedic patient outcomes.
- Maintain a professional environment that encourages collegiality and networking among participants associated with advancement in orthopaedic nursing education, practice, and research.

Presentation Tracks

- Clinical Practice
- Research

Education Level

All presentations should be either intermediate or advanced level of orthopaedic health care education.

2019 Topic Areas

All presentations should reflect a topic area below. Topics Proposal topic areas are listed in rank order based on requests from 2017 AAOS attendees and current trends:

1. Total Joint (Hip, Knee, Shoulder)
2. Pain Management
3. Outpatient/Ambulatory care
4. Nurse Practitioner/APN/PA
5. Nurse Navigation
6. Trauma/Sports Medicine
7. Certification/regulatory issues
8. Patient outcomes/improvements
9. Spine
10. Osteoporosis/fragility fracture
11. Infection Prevention
12. Pharmacology in Orthopaedics
13. Technology and Trends
14. Office/Clinic focus
15. Research in Orthopaedics
16. General orthopaedic surgery
17. Professional Development

Submission Process

Visit the submission page directly at <http://www.orthonurse.org/aaosproposal>

Submission Deadline

Podium Presentation Proposals are due by **April 2, 2018** with notification of acceptance/decline in July of 2018.

Please note: There will be no deadline extensions for 2019 proposal submissions.

Honorarium

All presenters are eligible for a modest honorarium. Travel and housing arrangements are the responsibility of each presenter.

Podium Presentation Proposals

Podium presentation proposals require a title, practice gap, learner outcome, a summary of the content, and current references supporting the education proposed.

Research podium proposals also should include background, problem and purpose, methodology, sample, results, limitations, conclusions, and implications. *A research study **must be completed** before submitting it as a podium proposal.*

Selection consideration is given to the following: proposal appearance and completion; Outcome; content; innovation; evidence-based content; relevance to orthopaedic nursing; support for the AAOS/NAON Nursing and Allied Health Program objectives; educational level, track and topic; number of same topic submissions; and *free of product/drug bias.*

Be sure to carefully follow the online directions when submitting presentation proposals. The submission form includes attachments that must be completed for the proposal to be considered.

Any incomplete proposal will be disqualified. It is the responsibility of the submitter to assure the online proposal is complete.

If you are a first-time proposal submitter and desire feedback or assistance, please contact jscott@orthonurse.org or tandy.gabbert@gmail.com prior to proposal submission.
