

NAON Orthopaedic Nursing Review Course Host Information

Program Target Audience

Nurses and other health professionals who are interested in a comprehensive overview of orthopaedic conditions and diseases.

Purpose

Explore how the orthopaedic nurse applies critical thinking skills to assess, plan, implement and evaluate care for the various health issues of adult spine disorders, degenerative joint disease, inflammatory disease, metabolic bone disease, musculoskeletal tumors, pediatric/neuromuscular/congenital orthopaedics, operative orthopaedics, orthopaedic complications and orthopaedic trauma and sports injuries. It is an excellent review for those planning to take the Orthopaedic Nurses Certification Exam and those wanting to enhance their orthopaedic knowledge base. Contact hours are provided to attendees.

NAON Orthopaedic Nursing Review Course Topics

- Degenerative Joint Diseases of the Joints and Spine
- Orthopaedics in the Operating Room
- Oncology: Musculoskeletal Tumor
- Metabolic Bone Disorders
- Inflammatory Diseases
- Pediatric/Congenital/Neuromuscular
- Orthopaedic Trauma
- Sports Injuries

Course Objectives

- Degenerative Diseases of the Joints and Spine
 - Describe the signs and symptoms, surgical and non-surgical interventions, and nursing plans of care for individuals with degenerative joint disease
- Orthopaedics in the OR
 - Identify nursing plans of care for the orthopaedic patients during the pre-, intra-, and post-operative periods
- Oncology: Musculoskeletal Tumors
 - Create appropriate nursing plans of care (surgical and non-surgical) for patients with musculoskeletal tumors
- Inflammatory Diseases
 - Differentiate the clinical signs and symptoms and nursing plans of care for patients with selected inflammatory disease processes
- Metabolic Disorders
 - Compare treatment options and nursing management of metabolic bone disorders
- Pediatric / Congenital / Musculoskeletal Disorders

- Develop therapeutic nursing interventions for children with pediatric, congenital and neuromuscular disorders
- Trauma
 - Describe common traumatic injuries and nursing plans of care for such patients
- Sports Injuries
 - Determine preventative measures for common sports injuries

Contact Hours

The course is a one day event offering 7.50 contact hours for each participant who attends the entire course. These contact hours are Category A as designated by the Orthopaedic Nurses Certification Board.

The National Association of Orthopaedic Nurses (NAON) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center Commission on Accreditation (ANCC-COA).

In order for attendees to receive their contact hour certificate, they must be present for the full course.

Course Fees

As the host your facility will be responsible for

- Meeting Room
- AV equipment
- Food and Beverage (if offered)
- Registration processing
- Speaker hotel accommodations (1-2 nights – dependent upon location and flight availability)

How to Book a Program for Your Facility or Chapter

- Contact NAON with the preferred dates and the location (city and state) of the review course.
- NAON will secure a speaker based on geographical proximity to course location and presenter's availability.
- NAON will send a contract to the host once the date and presenter are confirmed. Host sends a signed copy of the contract to NAON.
- Host makes arrangements for review course including AV equipment, food and beverage, registration, and speaker hotel accommodation.
- NAON contacts host to confirm number of syllabi (30 unless additional are requested) two weeks prior to the review course.
- NAON will provide instructions on how to access the online course evaluation and obtain the contact hour certificate. Host will distribute these instructions to all attendees.

To begin hosting an Orthopaedic Nursing Review Course for you facility please contact NAON at naon@orthonurse.org or toll-free at 800.289.6266.
